DEFINITIONS	
1. HUD DISABILITY	
	A disability verified by a professional licensed by the state to diagnose and treat the disability and his or her certification that the disability is expected to be long-continuing or of indefinite duration and substantially impedes the individual’s ability to live independently.
2. HIGH PRIORITY HOMELESS	
	Households (individuals, families with children or youth) prioritized for permanent supportive housing through the Coordinated Entry (CE) system.
3. HUD HOMELESS CATEGORY ONE	
	Individuals and families who lack a fixed, regular, and adequate nighttime residence and includes a subset for an individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or a place not meant for human habitation immediately before entering that institution;
4. HUD HOMELESS CATEGORY FOUR	
	Individuals and families who are fleeing, or are attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member.

<p>5. HUD CHRONICALLY HOMELESS</p> <p>Chronic homelessness has been defined as a single individual (or head of household) with a disabling condition who has either: Experienced homelessness for longer than a year, during which time the individual may have lived in a shelter, Safe Haven, or a place not meant for human habitation. Or experienced homelessness four or more times in the last three years. The four episodes have to add up to 12 months. People who exited institutional care facilities into homelessness after spending fewer than 90 days there will have that period counted toward their homelessness. The time between periods of homelessness is defined as seven days in order for the period of homelessness to constitute an “episode.”</p>
<p>6. MN HOMELESS DEFINITION</p> <p>The State of Minnesota defines as homeless “any individual, unaccompanied youth or family that is without a permanent place to live that is fit for human habitation.” Doubling-up is considered homeless if that arrangement has persisted less than one year.</p>
<p>7. MN LONG-TERM HOMELESS DEFINITION</p> <p>The State of Minnesota defines an individual, unaccompanied youth or family as “Long-Term Homeless” if they are without a home for a year or more OR have had at least four (4) episodes of homelessness in the past three (3) years. Any period of institutionalization or incarceration (including transitional housing, prison/jail, treatment, hospitals, foster care, or refugee camps) shall be excluded when determining the length of time the household has been homeless.</p>
<p>8. SERIOUS MENTAL ILLNESS (SMI)</p> <p>A mental, behavioral, or emotional disorder resulting in serious functional impairment, which substantially interferes with or limits one or more major life activities.</p>
<p>9. SERIOUS AND PERSISTENT MENTAL ILLNESS (SPMI)</p> <p>A group of severe mental health disorders as defined in the Diagnostic and Statistical Manual used by mental health professionals to diagnose clients. The SPMI category includes Major Depression, Bipolar Disorders, Schizophrenia and Borderline Personality Disorder.</p>
